Our Mission

At Travel for Impact/Impact Fund, our mission is to uplift livelihoods. We provide support and foster networks to help organizations and individual ventures thrive within our community.

Economic Empowerment Program

Our Economic Empowerment Program was established in 2017 to address seasonal and erratic income in female-headed households. We work to empower women to become self-sufficient through the sale of their handcrafted products. Our support includes on-going training, marketing assistance and access to wider markets.

This catalogue proudly showcases products crafted by Batswana. Our products are constantly developing and can be customized to create unique and personalized gifts. Please contact us to discuss how we could make your next gift a memorable one!
